

RANZCP 2011 EXAMINATION INFORMATION SESSION

APPROACHING THE RANZCP OCI ASSESSMENT (CLINICAL EXAMINATION)

Presenter: John CALLARY ²
Jeff KIRWAN ³

Organisation: *Chair, OI Sub-committee, Member, Committee for Examinations* ²
Chair, OSCE Sub-committee, Member, Committee for Examinations ³

This workshop is designed to assist candidates to understand the nature and standard of the OCI/M-OCI examination. The workshop will include presentations by the Committee for Examination members of the common challenges faced by candidates and promote the development of strategies for successfully passing this assessment.

This workshop is also considered beneficial for supervisors to develop familiarity with the format and process of the OCI/M-OCI assessments and develop their understanding of the Committee for Examinations expectations of Trainee and SIMG Candidates.

It is suitable for Trainees, SIMG's, Supervisors and Directors of Training.

This workshop will also introduce candidates, supervisors and DOTs to:

- The format of the OCI/M-OCI examination
- The assessment/marketing of the OCI/M-OCI and
- Tips for passing the OCI/M-OCI examination

Please note, that this information session is free of charge to all Congress attendees.
