

## **RANZCP 2011 EXAMINATION INFORMATION SESSION**

### **APPROACHING THE RANZCP OSCE/M-OSCE ASSESSMENT (CLINICAL EXAMINATION)**

**Presenter:** Jeff **KIRWAN** <sup>3</sup>  
John **CALLARY** <sup>2</sup>

**Organisation:** *Chair, OSCE Sub-committee; Member, Committee for Examinations* <sup>3</sup>  
*Chair, OI Sub-committee, Member, Committee for Examinations* <sup>2</sup>

This workshop is designed to assist candidates to understand the nature and standard of the OSCE/M-OSCE examination. The workshop will include presentations by the Committee for Examination members of the common challenges faced by candidates and promote the development of strategies for successfully passing this assessment.

This workshop is also considered beneficial for supervisors to develop familiarity with the format and process of the OSCE/M-OSCE assessments and develop their understanding of the Committee for Examinations expectations of Trainee and SIMG Candidates.

It is suitable for Trainees, SIMG's, Supervisors and Directors of Training.

This workshop will also introduce candidates, supervisors and DOTs to:

- The process for developing an OSCE/M-OSCE examination
- The format of the OSCE/M-OSCE examination
- Approaching the Medicine as related to Psychiatry Station
- The assessment/marketing of the OSCE/M-OSCE and
- Tips for passing the OSCE/M-OSCE Examination

Please note, that this information session is free of charge to all Congress attendees.
