

RANZCP 2011 EXAMINATION INFORMATION SESSION

APPROACHING THE RANZCP WRITTEN ASSESSMENT (CRITICAL ANALYSIS PROBLEMS)

Presenter: William **KINGSWELL** ¹

Organisation: *Chair, Committee for Examinations, Member, Written Sub-committee*

This workshop is designed to assist candidates to understand the nature of the Critical Analysis Problem component of the written examination. The workshop will include a presentation of the common challenges faced by candidates and promote the development of strategies for successfully passing this component of the written examination.

This workshop is also considered beneficial for supervisors/directors of training to develop a familiarity with the format and process of a journal club and develop their understanding of the Committee for Examinations expectations of trainees.

Please note, that this information session is free of charge to all Congress attendees.
